The background is a stylized landscape. It features several trees with different foliage patterns: a tall tree with a zigzag pattern on the left, a smaller tree with horizontal stripes next to it, a tree with horizontal stripes on the right, and a tall tree with a vertical line pattern on the far right. There are also some dark green bushes at the bottom. The sky is light gray with a few white and gray clouds. A large white rectangle is centered in the upper half of the image, containing the text.
